Official Press Release

February 8, 2008

The Berlin Police Department is interested in hearing from the community about the services we provide. During the week of February 21, 2008 a citizen survey will be sent to each household in the weekly edition of The Berlin Citizen. This survey is one way citizens have to let the department know how we are doing.

The survey's questions will provide feedback in areas such as the quality of services provided, the value of our D.A.R.E. program, and the overall perception of safety in our community. Please take a moment to complete and return this questionnaire. The information will be used to help provide the best possible service to the citizens of the Town of Berlin.

You may also complete the citizen survey on-line by visiting www.berlinpd.org and going to the "Citizen Survey" story in our recent news section. We would like to thank everyone in advance for their participation and help.
