Official Press Release

In an effort to provide an easier way for parents to drop their children off at Berlin High School, the local traffic authority has approved a student drop off point on Patterson Way directly in front of the school.

Effective February 1st, 2010 “Student Drop Off” signs will be installed on the south side of Patterson Way between the two driveways into the High School, designating this as an acceptable area to drop off students. Parents will still be able to pull into the parking lot if they wish. There will also be “No U-Turn” signs installed to prohibit motorists from turning around and going back towards Lower Lane; this will be strictly enforced with a \$103.00 infraction. The remaining “No Parking” signs on Patterson Way will also be strictly enforced with a \$ 54.00 infraction.

Notification of the change will be posted on both the Berlin Police website which is located at www.BerlinPD.org and the Berlin High School website which is www.Berlinwall.org .
