Official Press Release

February 4, 2008

Over the past two weeks the Berlin Police Department has investigated numerous crimes that involve the theft of power lawn and garden equipment, and snow blowers. The property has been taken from unsecured sheds and garages. The thefts are occurring throughout town and most have been occurring after dark, possibly during the evening hours.

To reduce the chances of becoming a victim we are asking residents to take measures to secure valuable property stored in their garages and sheds. Simple measures can be taken to deter criminals such as lock and hasp systems to secure outdoor sheds and by taking the time to close and lock garages.

Suspicious activity should be reported immediately by dialing 911.

Lt. William McKone
Berlin Police Department
